

DIRECTORY OF CONSULTANTS FOR

Architectural, Engineering, Planning, & Technical Services

Published by
Montana Department of Commerce
Community Development Division
301 S Park Avenue
PO Box 200523
Helena, MT 59620

This consultant directory was developed to assist Montana local governments, communities, schools, and citizens in financing and managing community projects. Commerce invites any firm or organization with expertise and knowledge in community development to be included in this resource. No procurement processes were used to develop these listings.

Listings are alphabetical.

Please contact us if you would like to be included in this directory:

Montana Department of Commerce

Certifications / Licenses

DEFINITIONS:

AICP: American Institute of Certified Planners

DBE: Disadvantaged business enterprise (DBE) means an entity that is at least 51% owned or controlled by a socially and economically disadvantaged individual. An individual claiming economic disadvantaged status must have an initial and continued personal net worth of less than \$750,000.

MBE: A Minority Business Enterprise

WBE: A Women's Business Enterprise

UPCS: Uniform Physical Condition Standards - code is a standardized inspection code created by HUD and Congress in 1998 as a way of establishing a dynamic inspection code that could satisfy the diverse housing stock monitored by HUD.
