SUBDIVISIONS						
Building from the Best of the Northern Rockies: Rural and Small Town Subdivision Design Workshop	Creating profitable subdivisions for vibrant communities and healthy landscapes	Sonoran Institute	2007		1	Print
Conservation Design for Subdivisions: A Practical Guide to Creating Open Space Networks	The author presents a practical handbook for residential developers, site designers, local officials, and landowners that explains how to implement new ideas about land-use planning and environmental protection. Abundantly illustrated with site plans, floor plans, photographs, and renditions of houses and landscapes, it describes a series of simple and straightforward techniques that allows for land-conserving development.	Arendt, Randall G.	1996		1	Print
Montana's Subdivision and Surveying Laws and Regulations, 1980, 1982, 14th Edition, 15th Edition, 17th Edition, 18th Edition, 19th Edition	The Montana Subdivision and Platting Act, Montana Subdivision Law Digest, Montana Department of Commerce Administrative Rules for the Montana Subdivision and Platting Act: Uniform Monumentation and Surveying Standards, The Montana Sanitation in Subdivisions Act, the Montana Corner Recordation Act, Montana Department of Commerce Administrative Rules for the Corner Recordation Act: Form of Corner Records, Other Surveying Laws	Compiled by Montana Department of Commerce	11/1/1991		1 of each	Print
The Subdivision and Site Plan Handbook	The book provides a model subdivision and site-plan ordinance together with a full explanatory background text that reflects the state of the art in land-use regulation.	David Listoken and Carole Walker	1989		1	Print
The Subdivision and Site Plan Handbook—Ordinance	Appears to be the companion to the Handbook and lays out pertinent ordinances.	David Listoken and Carole Walker	1989		1	Print
TOURISM						
American Tourism: Constructing a National Tradition	American Tourism tells founding stories behind 35 favorite American tourist attractions. It can be read as an informative on tourist attractions or as examples on how to build successful and sustainable tourist destinations.	J. Mark Souther and Nicholas Dagen Bloom	2012	6/30/2013	1	Print
Tourism Marketing for Cities and Towns: Using Branding and Events to Attract Tourists	The book teaches readers how to develop a city's brand to attract more tourist dollars. The book encourages those working in tourism to view tourism as more than a product but as a way to encourage economic development.	Kolb, Bonita M.	2006	7/1/2012	1	Print
Tourism, Planning, and Community Development	A discussion of the impacts of tourism on community development and how the discussion of the two has grown from economic considerations to how tourism can overcome social injustices and cultural divides	Rhonda Phillips and Sherma Roberts	2013	09/12/14	1	Print
TRANSPORTATION: HIGHWAYS, STREETS, PARKING, & SIGNS						

Context Sensitive Street Design	Streets are a vital dimension to every community's design. Planners, preservationists, and engineers are rethinking the means to reconstruct the urban fabric through street connectivity. Includes case studies of successful American design.	American Planning Association	10/1/2003	06/01/12	1	Digital
The Dimensions of Parking, Fifth Edition	Topics covered including parking studies and demand; zoning requirements; financial feasibility and financing; parking geometrics; way finding; safety, security and secure design; lighting; building codes; operations and management; and maintenance. Also included are all-new chapters on programming and conceptual design, the architecture of parking, sustainable design, budgeting and financial analysis, project delivery, and more.	Urban Land Institute and National Parking Association	2010	07/01/12	1	Print
The High Cost of Free Parking	The book is a "no-holds barred treatise" on why free parking has contributed to auto dependence, rapid urban sprawl, extravagant energy use, and a host of other problems.	Shoup, Donald	6/21/2011	06/01/12	1	Print
Meeting the Sign Regulation Challenge	Two programs explore how to create effective and defensible sign regulations. Keep your community beautiful and safe from legal challenges to your sign ordinance.	American Planning Association	2006		1	Digital
Parking Generation, 4th Edition	This is an informational report of the Institute of Transportation Engineers. The information has been obtained from research and experiences of transportation engineering and planning professionals.	Institute of Transportation Engineers	2010		1	Print
Parking Management Best Practices	The parking management strategies described in this book can make parking facilities more efficient and reduce excessive parking demand. Improved management offers an alternative to traditional "predict and provide" parking planning. Its benefits include cost savings, improved user convenience, and support for smart growth and transit-oriented development.	Litman, Todd	2006	07/01/12	1	Print
A Policy on Geometric Design of Highways and Streets	To provide guidance to the designer by referencing a recommended range of values for critical dimensions.	American Assoc. of State Hwy & Transportation Officials	2011	07/06/05	1	Print
Street Graphics and the Law	A publication by the <i>Street Graphics</i> program to improve the visual quality of signage in the environment.	American Planning Association	8/1/2004	6/30/2014	2	Print
Urban Bikeway Design Guide	The Guide provides cities with state-of-the-practice solutions that can help create complete streets that are safe and enjoyable for bicyclists.	National Association of City Transportation Officials	2014	2014	1	Print
Urban Street Design Guide	The Guide contains quick implementation projects to transform city streets into safe, inviting spaces that boost economic development.	National Association of City Transportation Officials	10/1/2013	6/30/2013	1	Print
Trip Generation: An ITE Informational Report, 8th Edition	User's Guide, Volume 1 of 3	Institute of Transportation Engineers	2008		1	Print
Trip Generation: An ITE Informational Report, 8th Edition	Trip Generation Rates, Plots and Equations, Volume 2 of 3	Institute of Transportation Engineers	2008		1	Print
Trip Generation: An ITE Informational Report, 8th Edition	Trip Generation Rates, Plots and Equations, Volume 3 of 3	Institute of Transportation Engineers	2008		1	Print
U.S. Traffic Calming Manual	The book provides guidance on establishing an effective program, deciding which traffic-calming device to choose for a given problem, and properly designing a selected device to achieve a desired outcome.	Ewing, Reid and Steven J. Brown	3/16/2009	06/01/12	1	Print
What's Your Signage?	How on-premises signs help small businesses tap into a hidden profit center.	Small Business Development	2004		34	Print
WATER						
Liquid Assets	The story of our water infrastructure.	Penn State Public Broadcasting	2008		1	Print
Protecting Water Resources with Smart Growth	A book by the Environmental Protection Agency	EPA			1	Print
Reducing Damage from Localized Flooding: A Guide For Communities	The guide is intended to help communities understand what they can do to reduce the damage, disruption, and costs that result from the shallow, localized flooding that occurs within their jurisdictions.	FEMA	2005		1	Print
Self-Help Handbook: For Small Town Water and Wastewater Projects	"This book is the Bible of the Small Towns Environment Program (TSEP)"	Schautz, Jane & Conway, Christopher	1995		1	Print
Using Smart Growth Techniques as Storm water Best Management Practices	The chapters cover the following issues: the nexus between land development patterns and water quality and quantity, specific smart growth techniques as storm water best management practices, resources, and New Jersey. A case study in weaving storm water and smart growth policies together.	Environmental Protection Agency			1	Print
Water Rights in Montana		Montana Dept. of Natural Resources and Conservation	10/01/08		1	Print
Wetlands, Streams, and Other Waters	Regulation, Conservation, and Mitigation Planning	Cylinder, Paul D., et al.	6/26/1905		1	Print
ZONING						
A Better Way to Zone: Ten Principles to Create More Livable Cities	The book explores the constitutional and legal framework of zoning, its evolution over the course of the twentieth century, the reasons behind major reform efforts of the past, and the adverse impacts of most current city zoning systems. The author identifies several assumptions behind early zoning that no longer hold true, four new land use drivers that have emerged since zoning began, and basic elements of good urban governance that are violated by prevailing forms of zoning.	Elliott, Donald L.	2008		1	Print
Contemporary Zoning and Codes	Discover innovative tools and techniques for public participation and plan implementation: state-of-the-art technology; and contemporary themes such as traditional neighborhood design, transit, and planning for rapid growth.	American Planning Association	2004		1	Digital
Form-Based Codes: A Guide for Planners, Urban Designers, Municipalities, and Developers	The book defines Form-Based Codes and explains why they are a necessary alternative to conventional zoning regulations.	Parolek, Daniel G. Et. Al.	2008		1	Print

Form-Based Zoning		American Planning Association			1	Digital
Introduction to the Zoning Board of Adjustment	The operation of the Zoning Board of Adjustment and the challenges it faces are the focus of this training program.	American Planning Association	2007		3	Digital
Legal Foundation for Planning Commission and Zoning Board Decisions	Hear what's relevant and necessary to promote sound planning and zoning practices in your community by understanding planning legal issues.	American Planning Association	1995		1	Digital
Model County Development Permit Regulations		Montana Department of Commerce	12/1/1994		1	Print
A Model Municipal Zoning Ordinance		Montana Department of Commerce	12/1/1994		1	Print
Montana Planning and Zoning Law Digest	A comprehensive summary of judicial decisions and attorneys general opinions relating to the law of planning and zoning in Montana.	Montana Department of Commerce	1996		1	Print
Montana's 2007 Planning, Zoning, and Subdivision Statutes			2007		1	Print
Updating the Zoning Ordinance		American Planning Association			1	Digital
Zoning Practice		American Planning Association	2008: June & Aug.-Dec.; 2009: Jan.-April & Sept.; 2013: Jan.-Dec.		1 of each issue listed	Print
OTHER						
Crisis and Emergency Risk Communication	The book is intended to introduce the reader to communication principles and tools as they relate to what the book calls emergency risk communication.	Center for Disease Control and Prevention	2002		1	Print
The End of Poverty	Exploration of the roots of economic prosperity and a vision for the escape from extreme poverty for the world's poorest citizens, offering an integrated set of solutions to the interwoven economic, political, and environmental, and social problems in the world's poorest countries.	Sachs, Jeffrey D	2005	9/12/2014	1	Print
For the Love of Cities	Kageyama evaluates the effect of citizens' love for their cities. He discusses characteristics of a lovable city and how to build love for a city in its citizens.	Kageyama, Peter	2011	6/30/2013	1	Print
