IMPORTANT!!! As of April 22, 2010 the U.S. Environmental Protection Agency / U.S. Department of Housing and Urban Development joint Lead; Renovation, Repair, and Painting Program Rule will affect paid renovators who work in pre-1978 housing and child-occupied facilities, including: renovation contractors, maintenance workers in multi-family housing, painters, and other specialty trades. Under the rule, child-occupied facilities are defined as residential, public or commercial buildings where children under age six are present on a regular basis. CONTRACTORS ARE REQUIRED TO HAVE A CERTIFIED RENOVATOR ON BOARD FOR EACH JOB taking place in a home or facility defined by the rule.

See Chapter 1 for additional information on Establishing HOME Files

After all the projects have been completed, a Certification of Completion / Status of Funds Form and Closeout Certification must be sent to the Program Officer.

Copies of yearly audits for years in which HOME funds were received and disbursed must be submitted to the HOME Program.
